3rd Annual Wellness Week

All Students: Exams stressing you out? Join us next week for the wide offerings of activities, events, hands-on fun, and more! #MedCaneWellness

Career Guidance Workshop

MS1: Join Dr. Hilit Mechaber and Ms. Garcia Wednesday, December 18th at 12 pm in the 5th floor auditorium for a Career Guidance Workshop introducing Careers in Medicine and discussing options for the summer. Lunch provided!
Two Week Summer Fellowship

Application deadline is Monday, December 30th, 2019

MS3 & MS4: FASPE is an intensive, two-week study program in professional ethics and ethical leadership. The program takes place in Germany and Poland, and sessions are held at sites of Nazi history so that Fellows benefit from an immersive, contextual experience. FASPE is neither a Holocaust studies course, nor a genocide prevention program. Rather, the curriculum is designed to challenge Fellows to critically examine constructs, current developments and issues that raise ethical concerns in their professions in contemporary settings in which they work.

Harvard/MGH Research Fellowship

Application deadline is Monday, January 6th, 2020

MS3 & MS4: This is an extremely competitive (1) year long Clinical Research Fellowship in Orthopaedic Sports Medicine and Joint Reconstruction at the Massachusetts General Hospital (MGH), that is awarded to one rising fourth-year medical student who has demonstrated a keen interest in orthopaedics and is a competitive candidate for orthopaedic residency.
The USC/CHLA Summer Oncology Research Fellowship (SORF) Program

[Image]

**Application deadline is Wednesday, January 15th, 2020**

**MS1:** The SORF Program is designed for US medical students who are considering a biomedical career that involves cancer research. This research fellowship is held at Children’s Hospital Los Angeles (CHLA) and at the Norris Comprehensive Cancer Center, Keck School of Medicine, University of Southern California (USC). Students receive a $600/week subsistence. Travel and housing assistance are available for qualifying students. Students from underrepresented minorities are encouraged to apply.

Medical Student Outreach Program

**Application deadline is Wednesday, January 15th, 2020**

**MS1 & MS3:** The ASH Minority Medical Student Award Program (MMSAP) provides underrepresented minority medical students with an opportunity to conduct a research project under the supervision of an ASH member, receive guidance from a career-development mentor, gain valuable knowledge of hematology, and ultimately, advance their careers. The summer project option requires an eight- to 12-week commitment; and the yearlong project requires participants to take a year off from school to engage in research full-time.
**Grant for Emerging Researchers/Clinicians Mentorship (G.E.R.M.)**

Application deadline is Friday, January 10th, 2020

**MS1, MS2 & MS3:** G.E.R.M. was developed to provide grants to medical students (first, second or third year and those in combined degree programs including MD/MPH and MD/PhD) to support a longitudinal mentored clinical learning and/or research project for up to a year, on infectious diseases-related topics including HIV under the mentorship of an IDSA or HIVMA member. Eligible project categories include basic science, epidemiology/clinical research, medical education, structured clinical experiences and quality improvement/program evaluation. Awardees receive a $4,000 stipend to complete their project.

**HVTN Summer Research Opportunity**

Application deadline is Monday, January 6th, 2020

**MS1 & MS3:** The HIV Vaccine Trials Network (HVTN) is now accepting applications for Research and Mentorship Program (RAMP) Scholar Awards to attract African-American and Latinx medical students who want to make a difference in their communities and contribute to the development of an effective HIV vaccine. This 8-10 week research project has a maximum award of up to $20,000.

For more information regarding G.E.R.M. and to hear about previous student’s success through this program, contact Dr. Doblecki-Lewis at SDoblecki@med.miami.edu.
The Telluride Experience Scholarship

Application deadline is Wednesday, January 15th, 2020

MS1 & MS3: The Academy of Emerging Leaders in Patient Safety (also known as The Telluride Experience) is accepting applications to join the Academy for Emerging Leaders in Patient Safety for a transformative 4-day immersive program.

Medical Student Outreach Program

Registration Deadline: January 3rd, 2020
Event Date: January 24th, 2020

MS1, MS2 & MS3: The Perry Initiative inspires young women to be leaders in Orthopedic Surgery and Engineering by partnering with medical schools and universities nationwide. Register today to participate in this FREE, one-evening program at Nicklaus Children’s Hospital. It includes case study presentations, hands-on mock orthopaedic surgery, a printed guide to residency, and women surgeons.
