The UMMSM refers students to Complio' for Background Check and Drug Testing; however, you are free to use another outside agency if you feel that the cost is more affordable. If you choose to use our recommendations:

- Background Check**

Majority of schools will request that you complete a recent background check prior to the start of your away rotation.

 - We recommend that you use The American Databank (Complio) "Florida In-State VECHS only Fingerprinting Package".
 - Background check instructions, fees, and prices are listed here: <http://www.umcompliance.com/>

Please note: You may select the "Florida In-State VECHS only Fingerprinting Package" even if your permanent address is in another state. "Florida **In-State** VECHS only Fingerprinting Package" is processed electronically and "Florida **Out-of-State** VECHS only Fingerprinting Package" is processed through snail mail.

 - Some schools accept a background check from matriculation into Med school. Please request background check authorization form ([CLICK HERE](#)) so we have the Certiphi Background Check from matriculation available for when you start uploading/ mailing out your application document.
